

Roseville Kindergarten

A Questionnaire for Families about Celebrations

1. What special days do you celebrate in your family?

2. How would you like our program to be involved in your celebrations?

3. How do you think we could celebrate everyone's special days, in a centre as diverse as ours?

4. What are some of the myths/stereotypes about your culture that you would like us to understand so as not to perpetuate them?

5. How do you feel about celebrations at the centre that are not part of your family's tradition?

6. What kinds of things can we do to celebrate our centre as an inclusion "human" community?

7. Would you have time to:
 - Read a favourite story in your native language?

 - Share a favourite family recipe?

 - Donate articles of clothing that you no longer use for our "dress-up" corner?
